El Studio Hired for Social Hall Redesign

WE HAVE HIRED EL STUDIO to redesign parts of the Social Hall and adjacent rooms for administrative and gathering purposes in anticipation of the sale of the two rowhouses. The process for subdividing the property for the sale is under way.

Our Livestream System

WE'VE RECENTLY UPGRADED OUR LIVESTREAM capacity, and are now interviewing for an engineer to tend the live audio and video during services. We greatly appreciate your patience over these last months as our dated system has struggled to deliver high-quality video of our Sunday Mass. Our system is now running well, and we can only expect the viewing experience to improve.
